Dear Mr. Vice President:

Thank you for your letter of July 29, 1982, on the subject of producing increased intelligence on narcotics trafficking.

Together with Linc Faurer, I am vigorously pursuing a number of measures which will support his plans to strengthen SIGINT production in this area. I will keep you and Dan Murphy apprised of our progress in this regard, and I will be back to you shortly with a more detailed assessment of the prospects for increased SIGINT support.

Respectfully,

/s/

William J. Casey
